DEPT. OF THE AIR FORCE
School Liaison Program

MOVING WITH *Military-Connected* STUDENTS

As you transition, please utilize this checklist to ensure you have all the necessary information and documents for a smooth transfer of your student's PreK-12 education.
Remember to **hand-carry all documents with you.*

Transitions can be challenging; however, with the assistance of a **School Liaison**, military families gain access to an expert who can facilitate this journey. **Before you pack, let's chat!**

EVERY MOVE MATTERS

DID YOU KNOW?

PRE-K THROUGH 12 EDUCATION STATE MILITARY PROVISIONS

**Check with your gaining installation School Liaison for state or country specific guidance*

Advance Enrollment - initiative that allows parents to enroll their children in public school based on military orders as opposed to traditional means of establishing residency, thus, allowing enrollment to occur before the family has moved to the new duty station.

Open Enrollment - Open enrollment is a form of K-12 public school choice that allows students to attend a different school than the one to which they are assigned based on their place of residence. Most states have one or more policies providing for varying degrees of open enrollment, but they can differ greatly across state and even district lines.

School Choice - School choice allows public education funds to follow students to the schools or services that best fit their needs — whether that's to a public school, private school, charter school, home school or any other learning environment families choose.

Military Student Identifier - This designation is used in education to identify students with active-duty parents in the U.S. Armed Forces, National Guard, or Reserves. This identification helps schools understand and address the unique academic needs and challenges these students face, allowing for targeted support.

Interstate Compact on Educational Opportunity for Military Children

www.mic3.net

STUDENTS COVERED UNDER THE COMPACT

K-12 dependents of the following:

- Active-duty members of the uniformed services, including members of the National Guard and Reserve on active-duty orders (Title 10)
- Members or veterans who are medically discharged or retired for one year
- Members who die on active duty, for a period of one year after death
- Uniformed members of the NOAA and USPHS

- [ ] Lottery Application Deadline

Researching PreK-12 Education Options

- Installation School Liaison webpage & social media
- District/State webpages
- State education standards
- State accountability data
- State attendance requirements
- Standardized assessment requirements

Department of Defense Education Activity (DoDEA) Non-DoD Schools Program (NDSP)

- If you are currently overseas and enrolled in a DoDEA NDSP School – it is recommended that you request a translated transcript for your student. This service can be coordinated through NDSP and is paid for by NDSP if within your yearly funding allotment.
- It is recommended that you obtain a duplicate transcript that will transfer correctly into the U.S. public school system - This will be particularly important if your student is in middle or high school.
